

## **AEC Dosimetry General Service Conditions**

Terms and Conditions of Use of the Radiation Monitoring services at Atomic Energy Council (AEC)

1. AEC cards shall remain the property of the Council.
2. Facilities shall apply for dosimetry services.
3. The cards are issued at no cost.
4. All issued cards whether used or unused shall always be returned to AEC for reading, calibration and annealing after the wearing period.
5. The wearing period for the TLDs is three months from the date of issue.
6. Failure to return the TLDs in the stipulated time may lead to suspension of services.
7. Used cards shall be returned with the names of the wearers.
8. Damaged cards and lost cards shall be paid for before new ones are issued.
9. The damaged or lost cards shall be replaced by either paying equivalent amount for the cost, transportation and other associated taxes or by returning the compatible TLDs. In case of the latter, Council shall determine the specifications.
10. Payment for the lost cards shall be made before return of cards to the URA portal.
11. The administrative charges (reading, annealing and calibration) for personal dosimetry shall be Shs 10,000 or as adjusted by Council from time to time.
12. Cards shall not be used in different facilities.
13. A Card shall not be used by different people.
14. Care of the TLDs shall be the responsibility of the facility.
15. Facilities shall pick their dosimetry results from Council.
